I understand that if I am selected for the student employee program my attendance of classes/shifts for which I am assigned will be mandatory. If I must miss work I will call as early as possible to notify the studio. I will also maintain an exemplary attendance record for my own classes. As a student employee, I become a role model for my fellow students and those younger than me. Excessive absences may require the removal of me from the student employee program.

I will adhere to the policies and procedures of the studio including dress code, promptness to class, and proper behavior and etiquette in my classes as well as those with which I assist.

The final decision on student employees and their job assignments will be left to the discretion of the Center Stage Faculty. I understand that not all students who apply will be offered a position in the program.
