star performance team

grades K&up

CS Star Performance Team is a non-competitive program at Center Stage for children who LOVE to perform! It's a tap and/or jazz choreography class that will prepare kids to be Center Stage ambassadors! In addition to the spring recital, Star Performance Team will be our "go-to" group to perform at special events in the community. This program is the perfect fit for dancers looking for a fun challenge without jumping into the world of competitive dance. Performance Team will provide numerous opportunities to perform without the time or financial commitment of competitions.

Placement is by audition for dancers in kindergarten & up. The directors are looking for a blend of personality, good listeners, a love for dance and potential for development as a dancer. Depending on interest in the program, the group may be divided by age.

WHAT ARE THE SCHOOL YEAR CLASS COMMITMENTS?

1	ACADEMY TAP & JAZZ CLASS: Either a Combo class or individual Jazz/Tap (30min-1.5 hours depending on age/level)
2	BALLET CLASS: Ballet is strongly recommended or can substitute for jazz (45 min-1 hour depending on level)
3	STAR TEAM REHEARSAL: 30-45 min weekly rehearsal on a weeknight (Schedule TBA)

WHAT ARE THE SUMMER CLASS COMMITMENTS?

Continued training is essential in the development of a dancer. Time "off" sets a dancer back. Star Performers are strongly encouraged (but not required) to continue their training with weekly classes during the summer session. All Star Performers must take Summer Choreography Camp (August 2-4) to help prepare them for our early fall performances!

WHAT IS THE FINANCIAL COMMITMENT?

Monthly Class Tuition	Minimum tuition based on the 2021-22 season would be $101-$148 depending on level. Tuition for the 2022-23 season has not yet been determined.
Costumes	$170 for Star Performance Team--includes 2 costumes (standard costume fees apply for other classes)
