DRESS REHEARSAL: GOLD CAST DETAILS: Fri. Dec. 3 at Hendricks Hall- UCM Campus

Due to limited time restraints and having multiple casts, Dress Rehearsal can be a little difficult to follow!

Please be sure to read below to know when YOU specially need to be where and in what clothes!

Dress rehearsal is MANDATORY. We enforce this strict policy for the confidence and safety of the performers. It is crucial that every student rehearse on the stage before performing and know exactly where he or she needs to be at all times.

- **What To Wear:** Dress rehearsal is a time for all students to rehearse all of their numbers in all pieces of their costumes & practice their hair & make-up to prepare for the performance!
 - **Have your make-up & hair done!** Read the class info sheet on how your class is expected to style your hair and make-up and arrive at dress rehearsal with your hair and make-up already done!

- **Dancers should arrive already wearing tights (without underwear) UNDER your clothes.** We also ask everyone to bring/ wear simple pants and a button or zip front top/ jacket to wear when you are not in costume backstage.
- **When To Arrive:** Please arrive at your appointed call time and remember to & bring your ballet shoes & mask with you! **PLEASE DON'T BE LATE.** We will do our best to begin and end as promptly as possible. However, this takes cooperation from everyone.
- **Where To Enter:** Please enter the building via the specific instructions that will be sent to your class and check-in at your designated area.
- **Check-In Process:** ALL DANCERS MUST CHECK IN so we know you have arrived!
- **What Should Parents Do:** Parents of dancers in **Teen Ballet, Int. Ballet & Adv. Ballet** can drop their dancers off and pick them up and the end of their rehearsal (see estimated times below).
 - Parents of dancers in **Jr. Ballet 4** need to **check their student in and out.** Parents will receive a badge with the dancer's name on it. **You will need to turn this badge back in to pick up your child after all rehearsals/performances!**

The MANDATORY Dress Rehearsal will proceed in the following order:

Unlike recital, **NO FOOD is allowed backstage** during the dress rehearsal or performances! There are too many white costumes to take ANY chances! (Water bottles with caps are permitted.)

AFTER CHECKING IN!

- **DANCERS!!!** Report to your assigned room and check in verbally with staff/volunteers. Make sure you use this room as your dressing room; do not switch to another room to be with your friends.
 - This is where our staff will find you throughout the rehearsal. We also need to be able to account for everyone's location backstage in case contact tracing becomes necessary.
- Your costume will be labeled & waiting for you in or near your dressing room. Staff/ Volunteers will give you further instructions on when to change into them. Please be patient during this process as we help everyone.
- **Please remember that you are RENTING these costumes from Center Stage and treat them with care!** A damaged costume fee will apply if careless behavior causes harm to your child's costume. Thank you!
- **PARENTS!!!** If you choose to accompany your child in, please follow the costume instructions for your class & then leave your dancer backstage with staff & volunteers until they have finished rehearsing.
- **ALL Dancers:** Please follow the costume directions you are given & remain backstage in your dressing room until called to line up for rehearsal. Please be aware of your costume and sit down gently, or even remain standing, if sitting may cause damage to your costume.

AFTER REHEARSING!

- **IMPORTANT!** After you are done rehearsing your last number you will need to turn all pieces of your costume back in with staff/volunteers! You should then leave the rehearsal.
- **PARENTS!** Please wait to return until the estimated pick-up time listed above to help prevent congestion! If you signed your child in, please sign them out!

WHILE BACKSTAGE:

- **All students will stay backstage for the entire performance.** Depending on the number of seats available in the balcony, students may or may not be able to go out and watch the show as a class. Dancers might want to bring along a few quiet, CLEAN activities.
- **The only drinks allowed backstage are bottles of water with caps. ABSOLUTELY NO FOOD IS ALLOWED BACKSTAGE!** We have too many white costumes in this performance to take any risks with even "clean" snacks backstage. This performance is much shorter than the recital & dancers should be fine not snacking. Please have your dancers eat a good meal before the performance to tide them over.

Curtain Call!

- **All students will be in the curtain call! For the safety of all performers backstage, parents will not be allowed to check out their child prior to the conclusion of the curtain call.**
- After the curtain call, ALL students will return to their assigned dressing areas.
 - **IMPORTANT! Dancers MUST turn all pieces of their costume back in with staff/volunteers before you leave after each performance!** Please make sure your child's costumes have been turned back in to avoid a lost costume fee.
 - Due to limited time in between shows and to help maintain physical distancing, dancers will not be able to take pictures on stage after any of the performances.
 - **PARENTS!** To maintain a physically distanced, organized, safe and secure environment for all children, we are asking for only one person to come backstage and **sign out** their child.

General Information:

- **SHOW ORDER** sheets are available online & at the front desk if you would like one.
- Tights are available to purchase at the Information table- and yes- we can charge your account so no cash or card is necessary!
- **VIDEOS & PICTURES:** You are welcome to take pictures (no flash) and video of the performance. HOWEVER, please be courteous of audience members behind you. NO tripods or standing up in the audience to video.
- Please remember to be a courteous audience member. Enter and exit the house only through the back doors between numbers.
- **No guests should ever meet a dancer backstage!** Our space is extremely limited, and for the safety of our performers, we do not allow any additional people backstage. Parents are encouraged to help young children get ready at the beginning of the show, but are asked to return to their seats when they feel their child is ready. Parent Volunteers and staff will make sure all students are accounted for and help out when needed.
- **Dads, brothers, etc.:** Please be aware that dancers often have to make quick changes directly backstage or offstage. We make every effort to provide a modest changing area, but this is impossible at certain times. Please make a conscious effort to avoid all areas around the stage

COVID-19 Information:

- At this time, we are not yet sure what the mask requirement will be for audience members. If UCM extends their current mask policy beyond Nov. 29th, all guests ages 5 & up will be required to wear a mask while in the building. If UCM does not extend their mask requirement, we will make the decision based on the situation at the time.
- Enhanced safety measures will be in effect in the dressing rooms and masks will be worn while backstage.

REMINDER! Names must be clearly placed in all personal belongings, especially your ballet shoes! Be sure to leave all valuables at home! Center Stage is not responsible for lost/damaged phones/ tablets/ etc...
