4/18/18	Grades 6 & up	<i>Accents</i>	Students will learn to use their voice to create characters with different accents!

Workshop Wednesdays are a series of specialized, one-day classes that coincide with Warrensburg Schools Collaboration Days. Students can make arrangements to ride the bus to Center Stage on early-out days to experience these exciting Creative Power Hours! Each hands-on workshop will dive deep into the subject and stretch the imagination of all participants. Workshop Wednesdays are open to all kids (you don't have to be a currently enrolled student at CS so bring your friends!)

2:00-4:00pm for K-5 and 1:00-3:00 for 6th & up.
Pre-registration is required and each Workshop is \$12.
