

Top 10 reasons to choose Center Stage!

10 Spectacular, Professional Dance Recitals!

10. SPECTACULAR, PROFESSIONAL DANCE RECITALS! When we say dance recital at Center Stage, what we mean is a HIGHLY ORGANIZED, AMAZING, FULL-SCALE DANCE PRODUCTION complete with sets, lighting and excitement! We want every child to experience the thrill of performing on stage in a professional setting and every parent to look forward to the show. We also have reserved seating for the recital which means no waiting in long lines to get a good seat or purchase tickets. You can purchase tickets on-line from the comfort of your own home!

9 Affordable Costume prices, No Recital Fee and a free DVD of recital!

9. AFFORDABLE COSTUME PRICES, NO RECITAL FEE AND A FREE DVD OF RECITAL! We know recital costumes are expensive and we do our best to select high quality costumes at affordable prices. We set the price at the beginning of the year for you to know exactly what you will owe before costumes are ordered. We also keep recital tickets reasonably priced, so you are able to invite as many family and friends as you wish! And the excitement of the recital doesn't end after the show! Each family receives a DVD of the recital to watch at home again and again!

8 Specialized dance flooring

8. SPECIALIZED DANCE FLOORING. Our floors play an important role in the success of our dancers! Dance is a very physical activity that can stress bones and joints. Most dance footwear does not provide cushioning or support, so the shock of dance steps can place a lot of pressure on the knees and back. Center Stage dance floors are either suspended (not resting on any hard surface) or floating (resting on a system of foam to absorb the shock of jumping). By using these floors, we help reduce the risk of injuries and allow students to dance longer with less fatigue.

7 Age appropriate costumes, choreography and music!

7. AGE APPROPRIATE COSTUMES, CHOREOGRAPHY AND MUSIC! We believe little girls and boys should look and act like little girls and boys. We also want our teens to be comfortable in their costumes and dances. We want all of our dances to be tasteful and family friendly.

6 Classes divided by age and ability at all levels with opportunities for competitive dance.

6. CLASSES DIVIDED BY AGE & ABILITY WITH OPPORTUNITIES FOR COMPETITIVE DANCE. Our studio has beginning level classes for preschool, elementary, middle school, and high school aged students. We also have a Company Dance Team for highly motivated dancers which provides an opportunity for students to perform and compete with some of the best dancers in the Midwest!

5 Parent viewing in lobby to observe student progress without classroom distractions.

5. PARENT VIEWING IN LOBBY TO OBSERVE STUDENT PROGRESS. We know parents enjoy seeing their children in action! Unfortunately, children are often distracted by parents in the classroom and are unable to maintain their focus on the skills being taught. For this reason, we have made it possible for parents and guests to observe the class through viewing windows and closed-circuit televisions. We also have two weeks each year where parents are invited into the classrooms during class time to watch class and to take pictures and videos!

4 Large faculty of highly trained instructors who love what they do!

4. LARGE FACULTY OF HIGHLY TRAINED INSTRUCTORS WHO LOVE WHAT THEY DO! At Center Stage we thoroughly enjoy teaching and want to share our passion with students in a positive and educational manner. We want our students to not only become technically proficient, but also to gain an appreciation of the art. We know that not all students respond the same way to all teachers. The large faculty we have at Center Stage makes it possible for your child to find the teacher that is a perfect fit!

3 Guided curriculum to ensure injury prevention and help develop strong, well rounded dancers.

3. GUIDED CURRICULUM TO ENSURE INJURY PREVENTION AND HELP DEVELOP STRONG, WELL ROUNDED DANCERS. Dance education should be age and developmentally appropriate and should progress in a specific sequence to provide a solid foundation for advancement. Center Stage instructors follow a studio wide curriculum.

2 Office staff dedicated to providing excellent customer service

2. OFFICE STAFF DEDICATED TO PROVIDING EXCELLENT CUSTOMER SERVICE. We want students and parents to be able to get the information they need, when they need it!
