

# corps company

*\*pronounced "core"  
company--as in dancers that  
perform in a group*

grades  
**4 & up**

**Corps Company** is open to all students **4th grade and up** and is a fantastic way to get more experience through performing and competing! This program is a perfect introduction to the world of competition dance, and a great way to be part of a team without as much time and financial commitment as Principal Company.

Corps Company dancers can audition for a **maximum** of 2 specialty routines. These routines will learn some of their choreography in the Summer Choreography Intensive and typically rehearse Sunday afternoons throughout the year. Some routines may rehearse Friday afternoon or Saturday mornings dependent on availability. Placement is based on technical level and performance skills. Competitive solos are not allowed at this company level.

## WHAT ARE THE SCHOOL YEAR CLASS COMMITMENTS (August-May)?

- 1** BALLET OR JAZZ CLASS: 45min-1 hour (depending on age/level)
- 2** 1 ADDITIONAL FUNDAMENTAL CLASS: Options include Academy Tap, Jazz, Ballet, Leaps & Turns, Jazz or Tap Tech. 30 min-1hour (depending on age/level)
- 3** ELECTIVE CLASSES: If a dancer is cast in a Specialty Lyrical, Contemporary, Hip Hop or Musical Theatre Routine they must take a weekly class in that style. (Lyrical & Contemp=Lyrical, Hip Hop=Hip Hop, MT=Jazz)

## WHAT ARE THE SUMMER CLASS COMMITMENTS?

Continued training is essential in the development of a dancer. Time "off" sets a dancer back. It is highly recommended that all Corps Company dancers continue their training over the summer with weekly classes. Save the date for **August 14-18** (mornings/afternoons) for the required choreography intensive.
